

Corner Lodge Newsletter

June Edition

We want to thank everyone for your continuing support and co-operation while we maintain the visiting restrictions put in place to protect the residents and keep them safe.

Hopefully, we will be able to ease back to normal visiting soon. As soon as the directors provide us with details for a phased return to our normal visiting schedule, we will let you know.

Remember, we encourage to keep in contact with your loved ones. You may phone on the **Residents' Line - 01255 711028** which will connect you directly to the Care Team without needing to go through the office or by using **SKYPE** so you can see your loved ones while you chat! (Connection details are below.) Soon we will be adding the ability to use Face Time and other methods for you to keep in touch.

Please note the Residents' Line may not be answered during medication rounds or at lunchtime.

We continue to keep everyone entertained with activities!

Please see our Facebook page for activities, pictures, and updates.

Virus Testing at Corner Lodge

On the 5th May, a team from Public Health England visited Corner Lodge and tested all residents and staff for the Coronavirus.

We are pleased to report that our efforts to keep your loved ones safe from the virus have been successful! All the tests were negative for the Coronavirus.

Unfortunately, this doesn't mean we can relax. We will continue to monitor everyone's temperatures and follow strict infection control procedures to ensure everyone's continued good health.

As you may have noticed from our Facebook, Google, and LinkedIn pages, Corner Lodge has seen an overwhelming amount of support and encouragement over the past weeks.

Families and friends of the residents have been amazing. Your understanding, cooperation, support, and encouragement have kept us going.

The residents have kept us laughing with their jokes about the staff wearing face masks, goggles, and face shields.

The donations received have touched our hearts:

- ♥ Maurice and Joan Lacey donated cut flowers.
- ♥ Lynn Newell donated baked goods for the staff.
- ♥ Aldi donated a selection of cut flowers.
- ♥ Diane Roberts donated sewn “ear savers” for the staff.
- ♥ Tending Technology College donated 3D printed “ear savers.”
- ♥ Innovv has made several donations of sweets and toiletries to the residents and staff.
- ♥ National Association of Care & Support Workers donated 16 face shields.
- ♥ 52 Lives and Gala Bingo donated a large hamper full of sweets, toiletries, and activities to the residents.
- ♥ The staff have received donations of chocolates from many of the residents’ families and friends.
- ♥ 6 sewn surgical “scrub caps” from an anonymous donor.

If we have forgotten to mention anyone, please accept our sincere apologies. The oversight was not intentional.

We are profoundly grateful to each and every one of you and feel blessed by your generosity.

You’ve brought a flood of sunshine into everyone’s lives during a difficult time.

Thank
You!

June Birthday

and Meet Our Residents: Wendy

This month, we'd like to introduce you to Wendy who was born on 12th June. Wendy lived in Weeley before joining us at Corner Lodge on 19th August 2017.

Wendy was born in Hackney, London and grew up in Ilford. She is the youngest of 5 children born to George and Mary.

Wendy worked for Llewellyn's Hardware in Redbridge for 20 years before moving to Weeley when she worked for Burcart's and as a cleaner in a mental health care home.

Wendy has a delightful sense of humour and loves to chat. Her hobbies include singing and arts & crafts.
